Summary: Shad was away for a few days after she went to the clubhouse because? please review

Shadow's greatest fear

Hamtarodoremi "My story is 100 odd, since it's my second story, doesn't want my first story thoughâ€|â€|"

****A strange visitor****

****One day, the Ham-hams were all in the clubhouse and playing as usual, the door opened and the ham-hams looked in surprise because all the ham-hams were here including Pepper who had come to visit the ham-hams for a month.****

****When the ham-hams saw who was at the door, they were very shocked. You won't believe your eyes because 'Shadow' was at the door and she was Spat's sister. "Whyâ€|areâ€| you hereâ€|" Said Boss pretending to be brave like he always does. "Ohâ€|â€|it so happened that my brothers are not at home, soâ€|â€|ummmâ€|â€|" "So ummmâ€|â€| you came to kill all of us right! Right!" Boss shouted, "No! No! I never said that, I've never attempted to kill any of you, please don't say that of me" Shadow pleaded. "Then please explain why are you here for" Hamtaro said kindly. "Uhâ€|because...Umm...I came here secretly! I'm not exactly evil you see?" Shadow explained.****

****Ok, if that's what you say, sweet! Now Shadow's on our side!" Boss said. All of a sudden, the door opens and everyone gasps, especially Shadow because Spat was at the door. "So Shadow! So that where you've been! Don't you know that Stings and I had been looking for you! Come on!" Spat grabs hold of Shadow and they were gone. ****

****Ummâ€|I think Spat isn't very good to her" Hamtaro said. "Of course! He's not good to anyone! Because, he evil! Ha ha ha ha! That's funny!" Howdy joked. "I hope that Spat hears that" Dexter whispered to Boss, "Ya, then Spat will do something to him," Boss**

whispered back.**

After a few days, Bijou who has already been good friends with Shadow said "Shadow has not come to zee clubhouse for a while; I wonder what eez zee matter?" "Maybe Spat forbade her, you'll never know?" Boss suggested. "Maybe?" Hamtaro said.
